# Making Childhood *Dreams come True*

---

For more than a decade, Star Quality Swingsets has been crafting vinyl playsets and bringing countless hours of enjoyment to children all across the nation. Our family-owned and operated business based in Lancaster County PA is committed to creating safe and durable swingsets for your children or grandchildren. We invite you to browse our extensive product line and see our many options, both in colors and configurations. What's more, we build completely custom swingsets as well. We stand behind our work and your maintenance-free swingset choice will be backed by a 5 Year Warranty. When planning the area for your swingset, be sure to leave an additional 3 feet on all sides for clearance. We look forward to helping you find the perfect swingset for your family today!

## We Can Deliver Your Swingset

Your swingset will be delivered partially assembled. All gate openings need to be as wide as the swing tower of your swingset. There is an additional \$50 charge if we need to remove fences to access the area. There is also a \$150 charge if we need to return because of inaccessibility.

# We Can Guarantee a *Quality-Made Swingset*

Star Swings not only gives you options when it comes to your swing set – it also gives you peace of mind. When your children are playing on their swing set, you want to know that they will be safe.

Our swing sets are also durable – they are built to last for generations, so your children can enjoy playing outside for their entire childhood. We use only the finest quality materials so not only will your swing set last, but it will also look brand new year-round. Made with pressure-treated wood, vinyl coverings for safety, powder coated corner brackets and stainless steel hardware, Star Swing sets are built to last.

## Why Buy A Vinyl Play Set?

Vinyl is virtually maintenance-free creating a crisp, color-coordinated look that will remain attractive for many years. Because our swing sets are made entirely of vinyl, it guarantees no splinters and is more comfortable on very warm days.

With safety to your children being our number one goal, we offer **vinyl construction** which ensures that there are no splinters, or wood-treatment chemicals exposed.

The **super heavy-duty slides** are made of thick molded vinyl. Each part of your playset has only the highest of quality materials.

The tough, super **zinc-coated swing chain** will stay shiny for years while providing additional safety for your children.

Since strength and stability are so important for safety, we use **extra corner bracing** to ensure stability. All metal brackets are powder-coated and rust resistant.

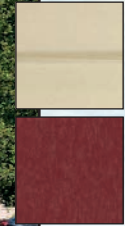

By using **high-quality stainless steel fasteners**, we are able to keep rust away and your play set looking like new for years to come.

All swingsets are built with **pressure-treated wood**, and encased in a tough **vinyl covering**. This will provide safety and beauty.
